

## Always "On the Job"

The right kind of clothes at the prices are almost enough to sell themselves. But there's another factor — the personal element.

Lot's of people come here to buy because they're sure of going away with a smile. And a customer's smile is worth as much to us as our profit on the goods he buys. The satisfied person comes back.

The size of a purchase is only an item. We figure that a ten-cent sale and a pleased customer are more valuable in the long run than a ten dollar sale and a "never come back."

Make us prove our willingness to serve. Our stocks are especially attractive right now.

## MT. VERNON FAIR HAS SUCCESSFUL YEAR

The 1917 exhibition of the Mt. Vernon Fair was a decided success from every standpoint, notwithstanding the war scare, which kept many away, as the three days of the Fair were the days that the examination was taking place. Those who were to be examined did not come and neither did the members or close friends. The show rings of stock were extra good and the floral hall, although hardly up to the standard, was very good.

The premiums awarded were as follows:

**SUMMER COMPLAINT.**  
During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. F. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."  
**FOR SALE.**—One used cane mill and boiler almost good as new.

## LIVINGSTON

Miss Ethel Hayse is visiting relatives at Paris. — Mrs. Wm. Fallas and daughters, Miss Marguerite and Angelina, were at London between trains Tuesday. — Mrs. G. S. Griffin and daughters, Misses Geneva and Hazel were in Mt. Vernon, Tuesday. — J. E. Woodall was with our merchants Tuesday. — Judge Witt is on the sick list at present suffering with stomach trouble. — Mr. G. D. Cook is on the sick list at this writing. — S. C. Franklin was here between trains Monday en route home from Lexington. — The wind and hail storm Friday did considerable damage here. It blew down shade trees, broke window panes and hail cut up corn and vegetables. Corn was blown down and broke off. — Several from this place attended the Fair at Mt. Vernon last week. We did intend to go a day or two but could not get away. — The primary is over and all is quiet again so hand shaking will not be so common now, until just prior to the November election, then the candidates will come around again to see the dear people. — We understand the pike has come to a sudden stop again. We just lack a little being on the map of the Dixie highway, and we hope in the near future that the road will be completed through the good little town of Livingston and up the beautiful picturesque Rockcastle river, where hundreds will come to see the scenery, which will rival the much noted Blue Grass country for its grandeur, and where the tourist will want to come to breathe the life-giving mountain air and spend days fishing on the verdant banks of the beautiful Rockcastle river. — The election passed off quiet here. Not a quarrel, which is so common at elections. Well, boys, let's go to work now and forget the past, as it will only be a few days until the campaign will open up again, and us dear people will be the greatest people on earth. — Mrs. J. H. Owens, who is past seventy years old, and her grand daughters, Misses Gracie and Lena Owens, attended the fair last week. — R. Perkins is in Detroit, Mich., this week. — Mr. and Mrs. J. L. Pickett and children have returned from a few days' visit with relatives at Paris, Ky. — Mrs. Geo. Smith has returned from Corbin, where she has been visiting relatives. — Mr. and Mrs. C. E. Rye, of Hazard, Ky., are visiting relatives here this week. — Mr. and Mrs. David Smith and children are spending a few days with relatives in Lily and Corbin. — Mrs. Ben Hellard and children have returned from Mt. Vernon, where she went to visit the Fair and relatives. — We saw our old friend, James Maret, a few days ago, but it was for a few moments only, between trains and did not get to talk over the past or the future, but are looking for a few lines from his pen soon. — We are getting badly behind with our hauling in the way of writing, but while we are willing to make atonement, yet we believe we have good excuses for the campaign has been very hot here, and considerable time was taken up shaking hands, and then the candidate had to scrape up an acquaintance or some relation, and then he had to find out how the crops were, then he would sail into politics and would not stop until he had covered the territory or give you ample time to tell him that you was a democrat, and, of course, the war causes one to spend time reading and meditating on the future, especially when they have children that has been called to help Uncle Sam gain the victory. — The Christian Endeavor will give an ice cream supper at the Masonic Hall, Friday night. Proceeds to go to the Christian church. Everybody cordially invited. — Mrs. G. D. Cook went to Somerset, Tuesday, to see a specialist. We hope she will be benefitted. — W. H. Mullins, who has been confined to his room since last March with rheuma-

tism, is able to be at his post again on the railroad. — Mr. and Mrs. I. W. Catlin were in Mt. Vernon, Sunday. — Judge R. G. Williams, of Covington, was here a few days ago between trains, en route from Mt. Vernon to his home. The Judge is looking well and oftentimes have we wished he would return to our county and offer to accept some office. Asking would be all that would be necessary. The voters would do the rest, both democrats and republicans alike, with few exceptions. So Judge, this is a good record to leave behind. — B. F. Niceley, of Indianapolis, Ind., who once was a citizen of this county, is visiting relatives here. Uncle Dick, as he is familiarly known, has almost lost his eye sight, but otherwise is in good health. — Miss Bonna Niceley, of Mt. Vernon, is visiting her cousin, Mrs. I. W. Catlin. — Miss Sarah Catron, of Somerset, Pulaski county, is visiting in Lexington this week. — D. C. Alcorn, of Pine Hill, was here between trains. — We were in Mt. Vernon a few days ago and at a later date we will have something to say about the trip. So look out for the next letter.

## ASK ANY ONE WHO HAS USED IT.

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.
